THANK YOU

LANDING HERO SECTION.

2024

The hero section for O'Fresh Food & Grocery features a large image of fresh produce, including oranges, apples, and a basket of vegetables. The text "From the farm to your homes" is displayed above the main title. The main title "Fresh Organic Groceries" is prominently displayed in large, bold, black font. Below the title is a subtext "Fast delivery in simple steps" with a small icon. A search bar with the placeholder "Search for foods or groceries" and a green "Search" button are located below the subtext. The top navigation bar includes links for "Browse Groceries", "Basket", "Log In", and "Sign Up".

The hero section for Cloval features a dark background with a purple and blue light effect. The Cloval logo is at the top left, and a "Start free trial" button is at the top right. The main title "Connecting Devs with Employers" is displayed in large, white, sans-serif font. Below the title is a short description in smaller white text: "Amet minim mollit non deserunt ullamco est sit aliqua dolor do amet sint. Velit officia consequat duis enim velit mollit. Exercitation veniam consequat." A search bar with the placeholder "Try Java Developer, React Dev etc." and a "FIND A DEVELOPER" button are located below the description. Two user testimonials are shown on the right: "Guy Hawkins, Software Engineer" with a photo of a smiling Black man, and "Leslie Alexander, HR Manager, Groove" with a photo of a smiling white woman. The Cloval logo is also present in the top right corner of the main content area.

This works for every browser:
window.location.href = 'your_url';

Floyd Miles

Should just be able to set using
window.location.
